TANK XTREME 5.0

## Dual injection

The TANK XTREME 5.0 constructed with durability and a great hand held experience in mind. With a dual injection design concept as the forefront of the design, TANK XTREME 5.0 will be the toughest smartphone you've ever owned.

# Corning Gorilla Glass 3

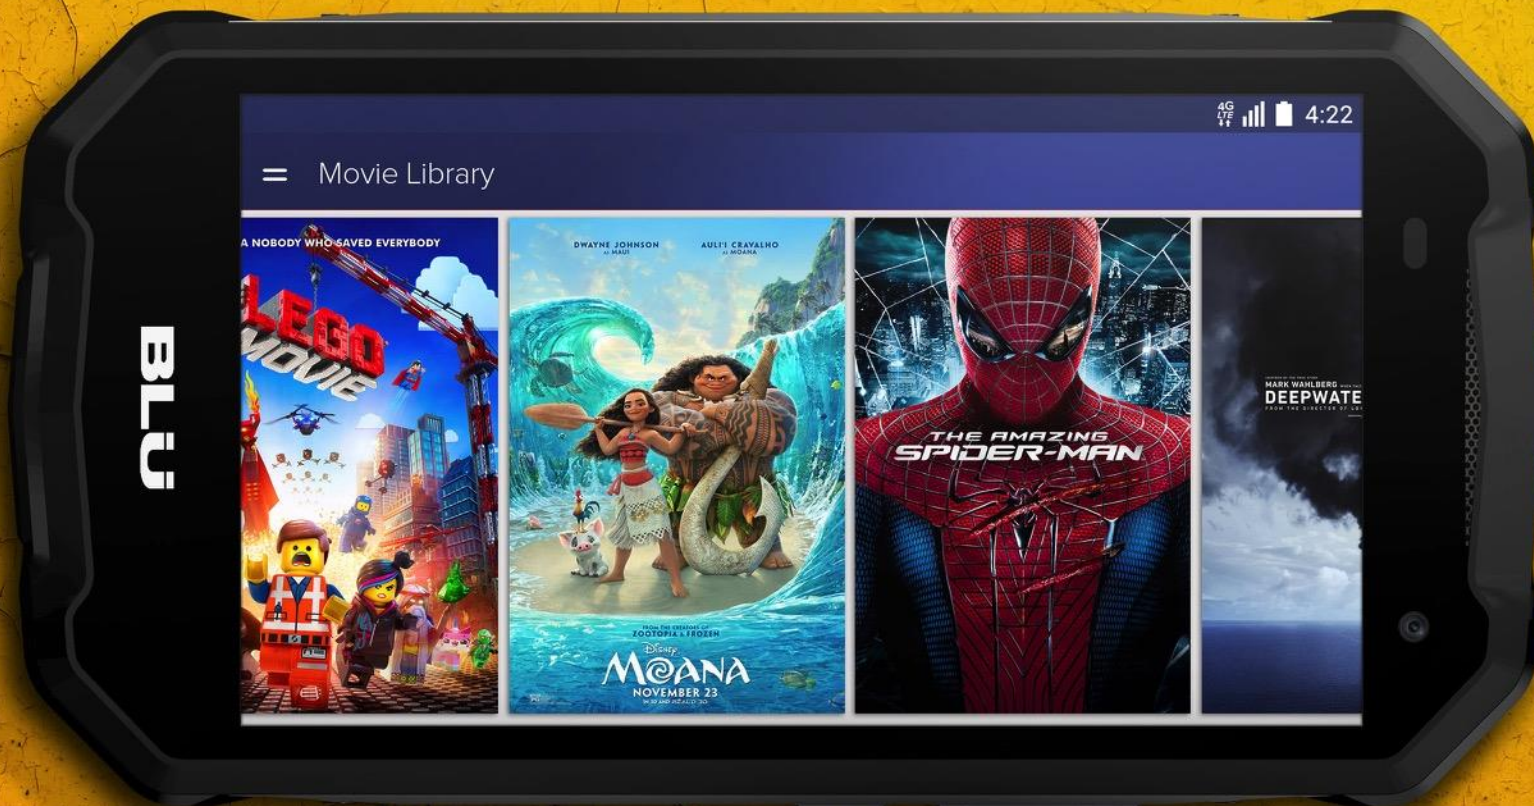

The TANK XTREME 5.0 incorporates Corning Gorilla Glass 3 on the front touch panel, giving your device an extra layer of armor to protect it from cracks and scratches. Corning Gorilla Glass 3 withstands drops up to 2X better than competitive glass designs.

CORNING  
Gorilla® Glass

# HD display

The Tank Xtreme 5.0 provides an outstanding viewing experience with its 5.0" HD display. With a 720x1280 pixels amounting to a 294 ppi, this smartphone gives you a view like no other smartphone.

## IP65 certified

Tank Xtreme 5.0 is water and dust resistant. Backed by the IP65 water and dust certification, the Tank Xtreme 5.0 will be your go to device in any weather.

## Built to last

The BLU TANK XTREME 5.0 can withstand drops and is shock resistant. With rubber dual injection that serves as a cushion and absorbs the impact, while dispersing the force and protecting the phone.

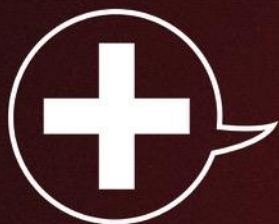

## Powerful performance

Powered by a 1.3GHz Quad-Core processor, the Tank Xtreme 5.0 will never leave you hanging and is sure to keep up with your busy lifestyle where multi-tasking is key.

The Tank Xtreme 5.0 comes with 1GB RAM to be able to run all your apps smoothly and 8GB of internal memory, expandable up to 64GB, so you have all the space you need.

TANK **XTREME** 5.0

# Unlocked

Stay connected with friends and family while traveling across the country. Get the job done no matter where you are. The Tank Xtreme 5.0 comes with 3G 3G 850/1700/1900/2100 so you can have coverage across the entire United States with all different carriers; AT&T, T-Mobile and the entire MVNO Network.

## Dual SIM **1** **2**

A Dual SIM gives you several advantages that you can't let pass by. With two SIM slots, you won't have to worry about exchanging SIM cards from one phone to another, carrying two phones in your pocket or charging two devices.

You can even take advantage of different voice/data plans for better rates, better coverage, and separate bills. Set apart personal calls and business calls and avoid roaming charges by having a domestic carrier SIM and an international carrier SIM.
